Stainless Steel Construction

Why Artisan

Whether you want a traditional look or something more contemporary, Artisan offers an array of styles to bring your kitchen and bath to life. The handcrafted sinks are produced with extreme care and are intended to be the focal point of their setting. The heavy gauge stainless steel sinks are finished to a durable and long lasting high luster satin finish with configurations that are anything but ordinary.

Artisan Stainless Steel Sinks

Artisan Manufacturing offers premium quality undermount stainless steel sinks in a remarkable 16 gauge thickness. Our sinks are made from a 304 commercial grade steel, which is quieter and more dent-resistant than other brands.

- Extremely tight radius at top of sink makes for better fit with granite
- Rubberized paint and sound pads on sides as well as bottom for maximum sound absorption
- cUPC Approved – lifetime warranty

Artisan Faucets

Artisan premium quality faucets are ideal for kitchens, bathrooms and bar sinks. These attractive, functional and affordable faucets have a satin nickel finish. Some models are also available in chrome. With solid brass construction, a durable ceramic disc cartridge and high-quality triple satin nickel plating, these faucets are engineered for long service.

- Premium quality drip free Ceramic Disc cartridge made in Spain
- Premium quality triple plated PVD finish on most models
- Limited life-time warranty on all parts
